February 25, 2014

Mr. Dean Clark  
Sales Manager  
Mr. James Kelly  
Owner  
New-Belle Construction Inc.

Good Afternoon,

Elizabeth Carbide Components, located in Unity Township near Latrobe, would like to thank Jim Kelly and his team at New-Belle Construction for our recently completed building expansion. We doubled our building size from 22,500 Sq. Ft. to 45,000 Sq. Ft. to increase manufacturing space for continued growth. This project also required major site work for the building and expanded parking area.

Jim Kelly is a hands-on owner, reasonable to work with, and very customer satisfied oriented. His employees and sub-contractors were also quality oriented and proud of their work. We are very satisfied with our completed project and would recommend New-Belle Construction for any future projects.

Thank you,

Joseph Smola  
Plant Manager
