Re: New Lumber Drying Shed Completion

Jim:

In addition to my personal gratitude extended verbally to you, Jake and Whitey earlier this week, I wish to follow that up with this written expression of my gratitude.

Your team's punctuality and professionalism under the duress of such a short timeline was exemplary.

Rest assured you have secured New-Belle's place on the short list of contractors who we'd be contacting for any future project bids.

Please feel free to use me as a reference to any potential clients who wish to speak with a past customer regarding their experience. I most certainly will convey my high marks on our worry free collaboration with New-Belle.

Have a great weekend.
